Dear Council Members,

On behalf of the members, staff and Board of Directors of the Boys & Girls Club of Greater Kingsport, I want to thank your organization for the \$333.00 donation to our Holiday Campaign. Over the years, the Kingsport community has united together to help children at the Boys & Girls Club of Greater Kingsport. We are sincerely grateful to those who give of their hearts to assist the less fortunate in our community. Though the faces of the children we help may change, the need remains.

The majority of the children we serve come from low-income, single-parent households. Your generous support helps us in our mission to provide quality programs and assistance to our Club members and their families.

Sincerely,

Johnny Day
Executive Director

Dear Kingsport Area Safety Council ,

I would like to thank you for your generous \$333.00 contribution to the 2010 Marine Corps Toys for Tots Campaign. As you know, such support is most helpful in enabling the Marine Corps to meet the challenge of providing joy and hope to millions of our nation's less fortunate children during the Christmas holiday season.

The Marine Corps reached over 7.4 million less fortunate children in 2009. While that's a lot of children, there were still many that we had to turn away. We're hopeful that with the continued help of concerned citizens like you that we may meet the needs of an even greater number of children this year.

Because the Marine Toys for Tots Foundation is recognized by the IRS as a tax-exempt public charity your contributions are deductible on your federal income tax return. We will send you a letter for tax purposes at the beginning of the new year.

On behalf of the Toys for Tots Foundation, the U.S. Marine Corps, and the many less fortunate children of this nation who will experience the simple joy of the holiday season, I commend you for your thoughtfulness and generosity. Best wishes for a safe, healthy and fulfilling remainder of the year.

Sincerely,
